## OPENWORK PATTERN:

\*P2tog, yarn over (YO). Repeat from \*, ending P1.  
Repeat for every row.

Note:

- After the first row, the second stitch of the P2tog should always be a yo. If it isn't, you may have forgotten a yo in the previous row. Don't panic! Simply pick up a single strand from the row below and create the missing yo.
- Another common "oops" is to forget the final yo before the ending P1.
- Use a fine thread like embroidery floss to sew the pieces together.

**BACK:** LOOSELY cast on 59 (65, 71, 79, 85) stitches. Work in Openwork Pattern until Back measures 28 (30, 30, 30, 32)" or desired length. Bind off all stitches VERY LOOSELY.

**LEFT FRONT:** LOOSELY cast on 31 (33, 35, 39, 43) stitches. Work in Openwork pattern until Front measures 25 (27, 27, 27, 29)" or 3" less than Back. Bind off 10 (10, 12, 12, 12) stitches at the beginning of the next right side row. Keeping in pattern, work until Front measures the same as the Back. Bind off all stitches VERY LOOSELY.

**RIGHT FRONT:** LOOSELY cast on 31 (33, 35, 39, 43) stitches. Work in Openwork pattern until Front measures 25 (27, 27, 27, 29)" or 3" less than Back. Bind off 10 (10, 12, 12, 12) stitches at the beginning of the next wrong side row. Keeping in pattern, work until Front measures the same as the Back. Bind off all stitches VERY LOOSELY.

Join shoulder seams.

**SLEEVES:** From the shoulder seam, measure 8½ (9½, 10½, 11, 11½)" down each edge and place a marker at each point. With the right side facing, pick up 55 (61, 67, 71, 75) stitches between the markers. Work in Openwork pattern for 4 (5, 5, 6, 6)" or desired sleeve length. Bind off all stitches VERY LOOSELY.

Join side and underarm seams.

If desired, work 1 row of single crochet and/or 1 row of Crab Stitch (reverse crochet) all the way around, and at the bottom or the sleeves
